Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Sunday 04 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with warm sunny spells today. Much colder by Monday.

Today:
After a chilly start on Sunday, it will be a largely fine and dry day, with some decent spells of sunshine. Feeling warmer compared to Saturday, with light winds. Turning cloudier and breezier from the north by evening. Maximum temperature 16 deg C (61 deg F).

Tonight:
After a fine and dry evening, it will turn increasingly cloudy from the north overnight, which will bring some outbreaks of rain by dawn. It will be turning breezier too. Minimum temperature 1 deg C (34 deg F).

Monday:
A much colder day, with a strong northerly wind and coastal gales, which will bring frequent hail and snow showers, especially along North Sea coast. Largely dry and sunny inland. Maximum temperature 7 deg C (45 deg F).

Outlook for Tuesday to Thursday:
Staying rather cold and windy on Tuesday, with perhaps a few snow showers along the east coast. Cold and dry with sunny spells on Wednesday and Thursday. Widespread frosts overnight.
